in view of the very large number that

for a private person to collect some

The temple is, I believe, a popular institution. The Palace may, I think, be consulted & its sense ascertained if it is in favour of the temple being endowed with the lands in question & taken over for Mysore management their effect may be given to. Otherwise the Petitioners may be informed that his requests cannot be granted. The reasons put forward by the Mysore Secy in his letter dt 15.3.20 against the requests being granted, are cogent, in my opinion. I suggest a reference to the Palace solely in view of the circumstances under which the site was acquired, & the temple built by the late Mr Krishnaswami Venkatramanaya who was in his time one of the favoured Employees. The delay in the disposal of the matter is very regrettable indeed.

Sir,

In submitting herewith the petition of Messrs. Kuthati Ramiah, retired Mokatesar Palace Dayavina Kanuvu - Department, praying that the 10 acres of land as per in the margin granted as Inam to the Sri Chamarajeswara Temple, which has been proposed to be built in Chamaraj Agrahar, Mysore, may be transferred for the benefit Sri Sita Rama Temple and [illegible]

in Sitavilas agrahara, I have the honour to state that the latter temple is mostly used by people living in Chamarajpet and Sitavilas agrahara.

2. As the applicant has received substantial help from the Government for building this temple, it seems to be desirable that the construction thereof and the approval of those intimately interested in the Chamarajpet and Sitavilas agraharas.

Whether a Chamarajeshwara temple will be built or not is not clear. If Government be so pleased the house land intended for this temple may well be transferred as prayed for.

3. Originally 20 acres were set apart for the temple; but as the question of building it has not been finally disposed of, it was ordered that the 20 acres might be made over to the Brahmans to whom the houses had been made over (vide Government order dated

No: 2330-2 Inspection T. No: 45-96 dated 27 May 1908. Of the 4 Brahmans therein referred to, Hosdurg Ramanatha Deshikha Char and Karur Gopal Dois, 1 and 2, Selected other lands in another village and their selection was approved. Thus 10 acres only were given to Brahmans and 10 acres continue as Temple Inam.

4. At present, the produce from these lands which has risen from 5 kandies to 25 kandies or ½ to 2½ kandies per acre is being sold and the amount placed to the credit of the proposed Sri Chamarajeswara temple. The accumulated fund amounts to Rs: 1037-4-3 on 1-8-1915. This money may also be invested for the benefit of the Sitarama temple.

Sir. M. Visvesvaraya, Esq., K.C.I.E.,
Dewan of Mysore,
Bangalore.

Sir,

I, the undersigned, Veerabhadramma, retired Maharaja's Palace Zenana Samudha Department, beg leave respectfully to crave your indulgence, in the midst of your multifarious duties of the State, on these few lines and humbly request to be kindly excused for the intrusion upon your precious and valuable time.

The SITALAMA DEVASTANAM in the Sitavilasa Agrahara, Mysore City, was constructed and the DIETY installed there through the munificient gift of the Royal Family of Mysore. The plot of ground whereon the Temple now is, was originally intended for a Devastanam when the Sitavilasa Agrahar was undertaken and built to commemorate His Highness the Late Maharaja's august mother. For reasons not clearly known, the idea of a Temple in the said Agrahar fell through and the plot of ground reserved for it originally was left vacant. Some years back, I applied for and got the vacant land from the City Municipality on condition of rearing flower plants for Puja purposes. Eventually the Municipality magnanimously agreed to hand over the Site for the construction of the Temple on my submitting a plan of it.

Sentiment, if not modesty prevents me from saying what the construction cost me and it is highly gratifying to me to know that it was my fortunate lot to supply a long-felt want in the Sitavilas Agrahar.

Ever since the Installation of the Diety about two

years hence, the maintenance of the Temple has devolved upon my slender resources and as I am 78 years , I do not know how long I could be spared to enhance the usefulness of the Institution besides maintaining it as hitherto.

I humbly request you therefore that the Government of His Highness the Maharaja may be so pleased as to take the entire management of the Temple and look after its upkeep through the Government Musical Department by granting the ten acres of wetland in Yedatore Taluk originally reserved for the contemplated Temple in Chamaraja Agrahar and which are still available.

For which act of benovelent charity, I along with a host of Bhaktas who congregate in the Temple every day , will feel highly grateful,

I beg to remain,

Sir,

Your most obedient Servant,

Mysore. 24th September 1915.

Sir,

In returning herewith the petition received with your letter No. 3450 dated the 7th ~~June~~ April 1920, I am directed to state that it does not seem advisable to hand over the ten acres of land in the Kaggali Bore Kaval. ,Yedatore Taluk to the Manager of the temple under reference. This temple is a new one, established very lately. There are a number of old - temples in Mysore, sanctified by centuries of worship which are very much in need of funds and it seems to be good policy to strengthen such institutions instead of endowing new - temples and private ones too.

2. In these circumstances, I am to state that the lands may be transferred for the benefit of Narayana Swamy Temple on the Chamundi Hill which at present is in a very neglected state owing to want of funds.

Sir,

I, the undersigned, [illegible], retired Nautch girl, Palace Zenana Samudha Department, beg leave to submit the following few lines trusting that you will kindly spare a couple of minutes in going through this and do needful in its behalf.

When under the Gracious Orders of His Highness the Late Maharaja of revered memory, the Sivaratna Agrahar was commenced to be built to perpetuate the name of His Highness' august mother, it was contemplated to construct a Temple also for the benefit of the Agrahar people/and for which the easternmost portion was reserved. For reasons not clearly known to the outside public, the idea of the Temple fell through and the plot of ground situated, as it is, close to my house was kindly placed at my disposal by the City Municipality at my request for rearing flower plants for puja purposes. Though the construction of the Temple in the Agrahar as originally thought of, was not practically realised, there lurked in the minds of many the idea of it all the same. With the gracious help of the Royal Family of Mysore, the Temple of SITARAMA has at last been constructed.

The Temple has unfortunately been struggling on for it's maintenance for over two years and unless the benign Government of His Highness the Maharaja comes to it's rescue, by tranferring its management to the Government Muzrai Department, the undersigned apprehends it's continuity as a spiritual benefit to not only the Agrahar people but the major portion of the population who inhabit the Western side of the City of Mysore. [illegible]y not be out of place here to mention

that the ten acres of land (Inam) reserved for the contemplated Temple in Chamaraja Agrahar are still available in the Yedatore Taluk .

In these circumstances, I beg to request that you will very kindly recommend to the Government of His Highness the Maharaja to grant :-

1. The ten acres of Inam wetland in Yedatore Taluk.
2. The Transference of the entire management to the Government Muzroi Department.

With the above, though at a personal sacrifice, the Temple was built, the SITRAMA DEVASTANAM , will continue to act as a spiritual force for the elevation of mankind in general.

I bег to remain,

Sir,

Your most obedient servant,
